AN AIRLESS SPRAY EXPERIENCE LIKE NO OTHER

Unlock unparalleled efficiency and power with the **XT Airless Sprayers** - the ultimate solution for professionals seeking top-tier spray performance & pump durability. Elevate your productivity to new heights, while enjoying the industry's most silent platform. Don't settle for less - **upgrade to the XT Airless Sprayers** and experience the difference firsthand!

The XT Difference

Up to **10X Quieter** with the New Sound of Quality

Advanced design of the new Xtreme Torque (XT) Brushless Motor eliminates multistage gear trains and reduces speed by 90% and noise by up to 10X.

Unrivaled Finish Quality with the World's Steadiest Running Pressure

Rapid-Response Pressure Control delivers the world's steadiest running pressure. Dial in 1 bar increments with the widest performance range (3-227 bar).

Selectable Performance Modes

Low Pressure Mode: Optimized performance range to eliminate overspray and improve finish.

High Pressure Mode: Offers maximum performance for extended hose lengths and difficult to atomize materials.

Fastest Cleaning Using Less Fluid

TurboClean efficiently cleans 6X faster using half the fluid, reducing recycling costs.

Pump Wear Prevention

WatchDog is an intelligent auto-shutoff feature that activates if you run out of paint, safeguarding the pump and maintaining consistent performance.

Longest Life Before Service & Lowest Cost of Ownership

The Endurance Vortex Piston Pump features an auto-rotating vortex rod to balance load and prolong pump life, delivering the industry's lowest cost of ownership.

Fastest Service on Jobsite

The proven ProConnect Pump Replacement System eliminates costly downtime and is included on all XT models.

The Ultra XT Family

Ultra 490 XT - Stand & Hi-Boy

Ultra 495 XT - Stand & Hi-Boy

Ultra 650 XT - Stand & Hi-Boy

Ultra 695 XT - Standard & ProContractor
