

WE WELCOME YOU AT THE GRACO COATINGS TOUR 2025

What to expect on a tour day?

Join us for live demos and hands-on experiences showcasing Graco's latest innovations.

Try the **new King E-Max XT**: the industry's most powerful electric sprayer—no noise, no fuel, no hassle—ideal for protective coatings, roofing, and large commercial jobs. Discover the **EFP-350 XT**, the top-performing stand-alone electric feed pump that requires no compressed air and the **E-Mix XT**, an economical, portable electric spray system with adjustable ratios from 1:1 to 6:1, compatible with 100% solids content.

Graco experts will be on-site to answer your questions, share insights, and help you explore new opportunities. Don't miss this chance to connect with industry professionals. We hope to see you there!
