In recent years, most classic knives Basic 511 (C) & 546 (S) have had their very own series. Every year since 2016, MORAKNIV have manufactured Basic 511 (C) in a new, unique colour combination. Since 2018, Basic 546 (S) is also made according to the concept, of course matching its sibling knife. Over the years, the colors of the knives have given an extra touch to the working day for hobby craftsmen as well as professionals.

The new Morakniv Basic 511 (C) & 546 (S) Limited Edition 2022 are in Dusty Blue and Dark Grey.
