

WARRIOR™ Tech with PAPR Combination

REACTIVE WELDING HELMET WITH RESPIRATORY PROTECTION

XA00166420

Designed for use with a wide range of
welding applications

WARRIOR™ Tech

The **WARRIOR™ Tech** helmet has been designed to meet the needs of a variety of welders, providing a high tech lightweight shell to protect from heat, sparks and spatter, The welding lens gives a high clarity of view, resulting in an excellent optical quality utilising the latest ADF technology.

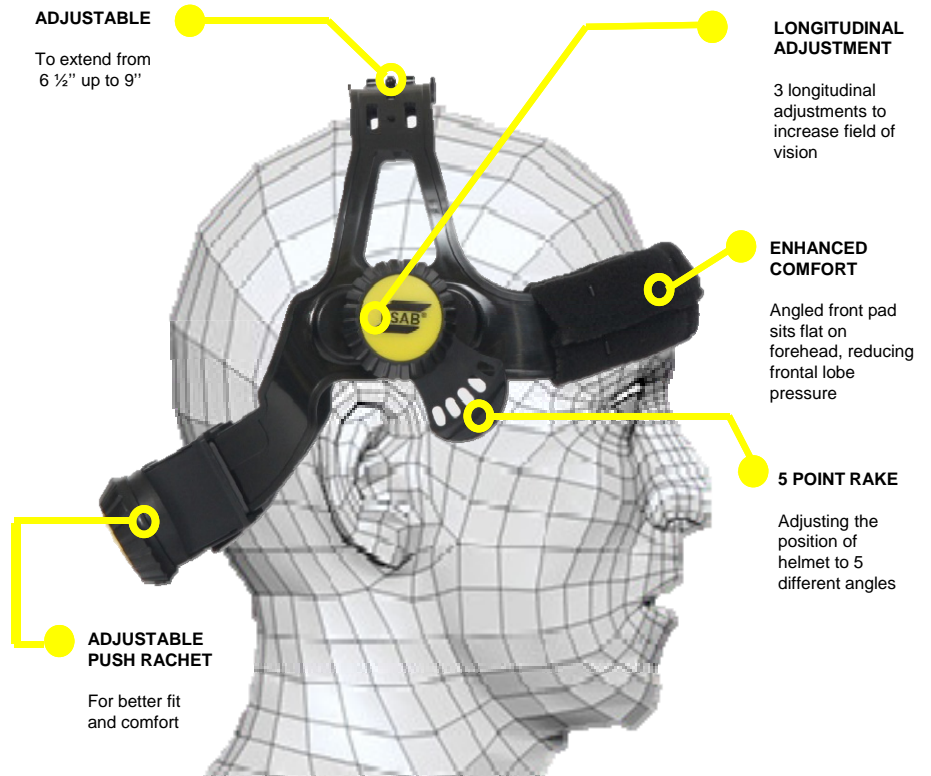

The **WARRIOR™ Tech** helmet provides ideal functionality, performance and comfort to the occasional welder, maintenance and construction workers through to the professional welder.

Lightweight helmet 520g

Available with dioptric configurations
As standard

Features and Benefits for the Welder...

ENHANCED PERFORMANCE

Four Arc sensors for higher response and wider coverage
Optimal performance for most fabrication and out-of-position welding

SENSITIVITY CONTROL

An adaptable feature useful when welding low amperages (TIG) for better reaction to darker Arc light

LARGE VIEWING AREA

98mm x 48mm (3.85" x 1.88")
Giving a wider field of vision increasing spatial awareness

DELAY CONTROL

Enabling the welder to set how long the lens stays dark after welding arc stops.
Short delay helps get the job done faster during tack welding, whilst longer delay is useful for high amperage welding

1/2/1/2 – Optical Class
9 – 13 shade level

WARRIOR™ Tech Ordering Information

Available in traditional yellow and black

WARRIOR™ Tech

The **WARRIOR™ Tech** 9-13 features an external shade adjustment between DIN 9 and DIN 13. The delay and sensitivity can be adjusted from the inside.

WARRIOR™ Tech Black	0700 000 400
WARRIOR™ Tech Yellow	0700 000 401

WARRIOR™ Tech Prepared for Air

The **WARRIOR™ Tech** prepared for Air is delivered fully assembled and ready to attach to a ESAB PAPR Unit. The unit includes: WARRIOR™ Tech helmet, head gear, air duct & head and face seal.

WARRIOR™ Tech Black Prepared for Air	0700 000 405
WARRIOR™ Tech Yellow Prepared for Air	0700 000 406

Aristo® Air

The Aristo® Air PAPR unit is delivered complete and is ready to use. Contents include: Air unit with air hose and hose cover, Lithium Ion battery, Universal intelligent charger, comfort pad, belt and TH3P Filter and pre filter.

Aristo® Air Complete	0700 002 174
-----------------------------	---------------------

Eco Air

The Eco Air PAPR unit is delivered complete and is ready to use. Contents include: Air unit with air hose and hose cover, NiMh battery, universal intelligent charger, comfort pad, belt and TH3P Filter and pre filter
