

DSM 530S – Powerful grinder for demanding applications

The DSM 530S combines high grinding performance and user-friendly control. A powerful drive and robust design make it ideal for severe working conditions.

Applications

Grinding concrete, screed, industrial floors, asphalt, sticking of concrete, screed and asphalt, large-scale renovation, remove adhesives, coatings, fillers, regulate uneven floors, grinding and polishing concrete, screed, asphalt, natural stone, terrace

ADS: Anti-shock transmission mounting

Ergonomic handle bar

Technical data

Ref. No.		711502
Voltage	V	400
Frequency	Hz	50
Power output	kW	7.5
Working width	mm	530
No. of tools	mm	3 x 230
Grinding pressure, max.	kg	165
Operating weight	kg	253
Edge distance	mm	10
Tool speed	r.p.m.	400 – 1200
Tank	l	15
∅-Dust control	mm	76
Tool mount		ETX1, ETX2, Velcro

Special characteristics

- ETX – Tool exchange
- DIF – Diamond floating device
- Ergonomical handle design
- MOP – Motor overload protection
- Counter rotating tools
- Speed control
- Tool turning direction
- Dead man switch
- Power indicator
- For heavy duty work
- High grinding performance
- Easy to use
