### POLISHING KIT

A complete kit for polishing and cleaning including Liquid Ice polishing solutions products with adapted polishing heads and pads that go on the Dynabrade 150mm Electric Polisher. The kit also includes a Blue Magnet microfibre cloth for cleaning.

The Dynabrade 150mm Electric Polisher is a powerful electric polisher, which is lightweight, gives low noise and vibration levels, has variable speed, with a thermal overload protection.

A complete kit to create the perfect finish.

The kit comes with a reusable blue sports bag for easy transportation.

Dynabrade 150mm Electric Polisher - 7mtrs cable		1

### BACK-UP PADS

High quality Norton backup pads are manufactured from neoprene rubber for optimal pressure dissipation. The chamfered edges allow the pads to adhere to the contours of bodywork and reduce the risk of edge-cut. They are specially designed for microfinishing.
