The new Starmix dry vacuum cleaner TS 714 RTS HEPA

- ★ **Extremely quiet** >>> excellent for cleaning during business hours and in hotels.
- ★ **High suction power** >>> for comfortable and fast working. Fast adaption to any surface thanks to the built-in power regulation/eco-mode.
- ★ **Special container** >>> large 14 l container volume despite compact dimensions of the vacuum cleaner. Operation without filter bag is also possible; in this case the filtration will be done by the washable fleece filter basket.
- ★ **HEPA-Filter** >>> especially for people who are allergic to house dust

- Benefits**
- ★ Comfortable working thanks to a big ON/OFF foot switch and side parking position for the accessory
 - ★ Extra long wheel base for optimal steadiness
 - ★ Elastic hems all around
 - ★ Rubber wheels for quiet and smooth running
 - ★ Runner at the bottom of the vac for almost barrier-free rolling on doorsteps
 - ★ Dust-free dirt disposal by lockable, three-layer fleece filter bag
