

Clip-on ammeter Limit DCM 2

DESCRIPTION

Digital clamp multimeter with NCV detecting measures DC/AC voltage, AC current and current frequency, resistance. Also testing diode, continuity with buzzer, datahold, low battery capacity warning. Supplied completely with test leads, carrying case, 2x AAA batteries and manual. Max. display 4099. Safety insulation CAT II 600 V/CAT III 300 V according to IEC 61010.

PROPERTIES

Manufacturer's description:	DCM 2
ETIM class code:	EC000069
Voltage measurement range (AC) max:	600 V
Voltage measurement range (AC) min:	4 V
Voltage inaccuracy (AC):	$\pm (1\%+5)$
Voltage resolution (AC):	1 mV

Voltage measurement range (DC) max:	600 V
Voltage measurement range (DC) min:	400 mV
Voltage inaccuracy (DC):	± (0.7%+3)
Voltage resolution (DC):	0,1 mV
Current measurement range (AC), max:	400 A
Current measurement range (AC), min:	4 A
Current inaccuracy (AC):	± (4%+10)
Current resolution (AC):	0,001A A
Resistance measurement range, max:	40 MΩ
Resistance measurement range, min:	400 Ω
Resistance resolution:	0,1 Ω
Background lit Display:	Yes
Weight:	0.248 kg
No. of batteries:	2 st
Battery type:	Alkaline
Safety classification:	CAT II 600V/ CAT III 300V
Automatic shutoff:	15 min
Width:	63,5 mm
Length:	215 mm
Resistance inaccuracy:	± 1%+2
Battery type ANSI:	AAA
Digit height:	15 mm
