

Personal Protective Equipment

WORKWEAR

Own production.

FABRICS

Cotton and polycotton fabrics for workwear.
Variety of finishing treatments, flame retardant treatment.
Varied weaves.

REFLECTIVE TAPES

BJÖRNKLÄDER, TRANEMO

Special protective workwear.

PLANAM, TALIS

Workwear and special protective workwear.

SARAWORKWEAR

Workwear and special protective workwear.

ALPHA TEC, 3M

Disposable and chemical protective clothing.

CENTURION, GROLLS, G. PLAST

Helmets.

HELLBERG, 3M, ZEKLER

Hearing and face protection.

SUNDSTRÖM, GVS, FILTER SERVICE

Respiratory protection.

ZEKLER, 3M

Eye protection.

GUIDE, SÄNGER, WELDAS, NITRAS, TALIS, SEMPERMED

Working gloves.
Welding gloves.

FALLSAFE

Fall protection.

ABOUTBLU, FTG, GIASCO, TALIS

Safety and occupational footwear.

Gaston Mille, JULEX - Safety overshoes.

JULEX, OXYPAS

Safety and occupational footwear.

CEDERROTH, AKLA, KRUSMAN

First aid products.

LUCART, TORK

Paper and unwoven clothes for industry.

MASTER LOCK

Locking systems.

Storage and Packaging Equipment

BRÄNNEHYLTE

Storage systems.

Pallet, gravity, mobile, sliding, cantilever and modular racks.

PRAMAC

Machines for internal warehouse transport.

TAWI, AEROLIFT - Vacuum systems for lifting and moving products and loads.

DONATI - Jib and crane systems.

RAMPLO

Mobile and stationary hydraulic loading and unloading ramps, helping to load and unload goods and cargo easier and faster.

MasterMover

Electric tow trucks, designed for use in all industries.

MARIPAK

Wrapping machines with shrink film and polyolefin. Packaging lines. Heat shrink tunnels. Consumables: heat shrinkable film and POF.

NOXON

Pallet wrapping machines with stretch film technology. Taping machines for straightening and closing cartons with self-adhesive tapes.

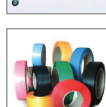

STRAPEX

Manual, battery and pneumatic tools for wrapping with PP, PET and metal strap.

HAWO

Portable tools for shrink wrapping and impulse sealing devices for cutting pallet covers.

ONUR PLASTIC

Polypropylene PP and polyester PET straps for wrapping with hand tools and automatic machines.

ASD

Vertical and horizontal balers for waste. For compressing and baling paper, cardboard, polyethylene packaging, PET bottles, plastic cups and plates, empty metal cans and more.

CONSUMABLES

Stretch film, aerofoil, foamed polyethylene, heatshrinkable film and polyolefin, cardboard and PVC corners, self-adhesive tapes.

Pumping Systems and Equipment

GRUNDFOS

Pumps for energy-efficient water solutions for use in homes, buildings, industries, utilities and agriculture.

Atlas Copco WEDA, GRINDEX

Pumping solutions for construction and mining.

ZEHNDER PUMPEN

Pumps and lifting stations for clean, dirty and waste water.

WITA

High efficiency heating, domestic hot water and solar technology.

ZUWA

Transfer pumps for industry.

2700 Blagoevgrad

32, Pejo Javorov Blvd.

KAMMARTON

INDUSTRIAL EQUIPMENT

Welding and Cutting

	ESAB, BÖHLER, CEA Welding and plasma cutting machines, robotic welding systems, consumables, accessories and protective equipment.
	YASKAWA MOTOMAN Industrial robots and systems.
	ECKERT Cutting Technologies, ESAB Cutting, MESSER Cutting Systems CNC cutting machines for oxy-fuel, plasma, laser and water-jet cutting.
	HSG Laser cutting, welding, marking and cleaning machines.
	SCHNELLDORFER MASCHINENBAU, BOKI Systems for mechanization and automation of the welding process.
	SPEEDGLAS 3M Welding helmets with ADF filters.
	IMCAR SPA, COMAC, MacBending Bending machines for sheet metal and profiles.
	SIEGMUND Welding and worktable systems with precise fixation, laser welding cells, positioners.
	DESTACO Manual, pneumatic and hydraulic clamps, tongs and grippers for fixation and transfer.
	GEN SET, PRAMAC, C.G.M, KS POWER, FULL Generator Generators for emergency power supply, welding generators.
	VLB Pipe processing machines - cold forming, bending, steel forming lines.
	PLYMOVENT Stationary and mobile systems for welding fume extraction.
	CEPRO Curtains, screens, blankets, laser protection cabin and heat-resistant welding protection products.
	MACKMA Tube, profile and mandrel bending machines, briquetting machines, horizontal or vertical presses, cutting machines.
	PROMOTECH Drilling and punching portable machines, plate and pipe bevellers, welding mechanization and automation equipment.
	S. F. E. Group, AXXAIR Machines and accessories for pipe and sheet metal processing. Machines for orbital cutting, welding and chamfering.
	EXACTTOOLS Machines for pipe cutting.
	DUMETA Welding positioners and rotators, thread tapping machines, column and boom, rotation systems.

	GCE, KASWELD Equipment for oxy-fuel cutting and welding, consumables, fittings for technical gases.
	PRYOR Marking and engraving systems.
	TECNOMAGNETE Magnetic and automatic electromagnetic lifting.
	FEMCO Group CNC Boring and milling machines, horizontal lathe, wheel turning lathe machines.
	DENER Press brakes, shearing machines, plasma and laser cutting machines.
	HGG Cutting systems.
	INTEMACH Hydraulic presses.
	SCANTOOL Machines for mechanical processing.
	IMET, BEKAMAK, KESMAK Manual, semi-automatic and automatic band sawing and circular sawing machines.
	KALTENBACH Metalworking systems, Manual, semi-automatic and automatic band sawing and circular sawing machines.

Construction and Industrial Equipment

	COMPAIR Stationary screw oil / oil-free compressors. Vane compressors. Portable compressors. Air dryers and filters for compressed air.
	BAMAX - Piston compressors. BIGIESSE - Vacuum pumps and blowers.
	YAKUT KAZAN Compressed air receivers.
	BROKK Remote controlled demolition machines.
	SHERPA Mini loaders.
	EPIROC Hydraulic breakers.
	DARDA Excavator attachments: multi cutters, steel shears, hydraulic splitters. Manual hydraulic equipment - splitters, shears.
	GAYK Hydraulic pile driving systems for ramming guardrails in road construction and rods for solar parks.

	BETON TROWEL Rammers, screeds, power trowels, floor saws, plate compactors, concrete vibrators.
	IMER GROUP Concrete and mortar mixers, hoists.
	CHICAGO PNEUMATIC, PERMON Pneumatic breakers, hammers and rotary hammers. Hydraulic power packs and breakers.
	DR. SCHULZE Table saws for building materials. Diamond core drilling and cutting equipment. Diamond blades, core drills, grinding cup wheels.
	SCHWAMBORN Professional equipment for milling, grinding, polishing and cleaning of all types of surfaces.
	BRINKMANN Floor screed conveyors and mixer pumps for applying plasters and mortars.
	SIMA Rebar processing machines.
	ROBSYS Robotic solutions in solar panel cleaning.
	KÄRCHER, COMAC Floor scrubbers, sweepers. Vacuum cleaners for wet / dry cleaning. Industrial vacuuming.
	STARMIX Industrial vacuum cleaners for wet/dry cleaning.
	COMAC Municipal cleaning equipment.
	DISAB TELLA Stationary and mobile systems for vacuum cleaning.
	ELMA Ultrasonic cleaning devices.
	BM2 - Industrial diesel, gas and electrical heaters. DEHUTECH - Industrial dehumidifiers.
	WAM Group Bulk solids dischargers & industrial vibrators.

Painting and Blasting Equipment

	GRACO Painting systems, spray guns and accessories. Grease systems and systems for applying resins and polyurethane foam.
	DAPHNE, WILTEC, FILTRILO Painting rooms, painting filters.
	AIRBLAST, ABRAZIV Blasting and shot blasting machines, abrasives for blasting.

	FERROECOBLAST Blasting cameras, dry ice cleaning systems.
	ZEGA Vibratory surface finishing machines and consumables.
	FALCH, WOMA, DENJET High and ultra high-pressure cleaning machines.
	KÄRCHER Cold water high-pressure cleaners. Hot water high-pressure cleaners. Dry ice cleaning.

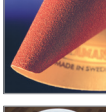

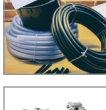

Industrial Chemicals, Power Tools and Load Handling Equipment

	MILWAUKEE Heavy-duty power tools, MXFuel series, accessories, hand tools, OP (outdoor power equipment) and PPE.
	BOSCH Power tools, measuring equipment, hand tools, consumables and accessories.
	DeWalt Power tools.
	RIDGID Pipe processing machines. Pipe cleaning and inspection. Hand tools.
	ROTABROACH Magnetic drilling machines, consumables and accessories.
	LOCTITE Adhesives, lubricants, seals, cleaners, protective coatings, industrial cleaning agents.
	PRESTO, MOTIP DUPLI - MOTIP paints and technical sprays. IBS SCHERER - Industrial cleaners and equipment.
	WD-40° Lubricants, degreasers and rust removers.
	BAUER Access safety platforms and Man crane baskets. Tilting containers. Hazardous waste storage. Material lifting equipment.
	CARISTRAP Textile polyester strapping and consumables.
	3M Floor marking tapes. Single- and double-sided adhesive tapes. Spray for bonding, cleaning and preservation.
	TERRIER Clamps for vertical and horizontal lifting and transporting loads.
	H-LIFT Cargo lifting, lashing and moving. Polyester slings. Manual hoisting equipment. Ratchet tie downs. Material handling equipment.
	BOSCARO Crane pallet forks. Concrete buckets. Lifting beams. Specialized grips.

Industrial Tools and Consumables

	BAHCO Professional tools and consumables - general industries, maintenance and repair, automotive, green industries, industrial cutting.
	ENERPAC - Hydraulic tools and systems for heavy lifting, maintenance and repair (MRO). Precise hydraulic and battery wrenches for bolting. Hydraulic tensioners. Hydraulic presses. Equalizer flange maintenance tools. Mirage portable machine tools.
	ATLAS COPCO - Industrial assembly tools and bolting systems for production and MRO. Automatic tightening cells, machine vision and laser guidance. Industry 4.0 production software and quality control equipment. Pneumatic tools for material removal, motors and airline accessories.
	GESIPA Industrial battery and pneumatic riveting tools. Industry 4.0 riveting systems and solutions for automation.
	LUNA Professional metalworking and woodworking machines and consumables.
	TENG TOOLS Hand and pneumatic tools for maintenance and repair.
	LINDSTRÖM - Professional ESD tools for jewelry, electronics, medical device manufacturing, aerospace and defense. LIMIT - Measuring tools and equipment.
	AWS-WEKADOR, ENDRES TOOLS Impact sockets, adapters and bits. Non-sparking, anti-corrosion and anti-magnetic tools.
	KOCEL Industrial furniture: wardrobes, storage systems, cabinets, workbenches and trolleys.
	BIMOS Industrial chairs for standard production, ESD areas, labs and clean rooms.
	BAHCO, KARNASCH Cutting discs. Bi-metal bandsaw blades for cutting metal and wood. Holesaws, burrs, drills.
	LUKAS-ERZETT Grinding, cutting and flap discs, burrs and molting point abrasives.
	3M Patented Cubitron and Trizact abrasives. Fiber, flap and grinding discs. Abrasive belts.
	NORTON, TAF, MABTOOLS Abrasives. Fiber, flap and grinding discs. Abrasive belts.
	OSBORN Honing, polyester, special, abrasive and metal brushes. ATB brushes for CNC machines.
	MOLEMAB Conventional abrasive discs.
	MORAKNIV® Swedish steel knives for the food industry, crafts, hunting and fishing.
	DELTA REGIS Precise electric and cordless screwdrivers. Screw dispensers, torque arms and torque testers.

Furniture and Woodworking Industry

	JOSEF KIHMBERG, HAUBOLD Pneumatic and mechanical tools for packaging, upholstery, stapling and nailing.
	APACH, FASCO Pneumatic tools for nailing, upholstery and packaging. Pneumatic wrenches, orbital sanders.
	ISABERG RAPID Manual tackers, pliers and tools for stapling, packaging and nailing. Hot air and Glue guns. Consumables.
	DELTA, TORREGGIANI Full range of consumables for pneumatic tools: staples, brads, nails, mini pins.
	BEKSAN Full range of nails for pneumatic tools and automatic nailing lines.
	DUNLOP Adhesives for the furniture, shoe and automotive industries.
	EKAMANT Coated abrasives and sanding accessories. Endless belts.
	BØGH Wood fillers: powder, paste, hotmelt knot filler.
	QUICK WOOD Sanding machines, brush tools.
	AKZO NOBEL - CASCO ADHESIVES Adhesives for wood, edge banding and veneering.
	HERMANKOLL Adhesives for wood, edge banding and veneering.
	UNICOL, QS ADHESIVOS Adhesives for wood, edge banding and veneering.
	PIZZI OFFICINE Pumps and accessories for applying of PVA adhesives.
	SAYERLACK - SHERWIN WILLIAMS Varnishes, coatings and primers for interior and exterior - polyurethane, polyester, UV, water-based and etc. Stains, patinas, oils.
	CEJN Quick connected couplings, fittings and hoses for pneumatics, hydraulics, high pressure, FRL.
	LYNDDAHL PLAST Hoses for pneumatics.
	NORMA GROUP Clamps for water connections.
	PALLET COLLARS Hinges for box (collar) pallets.
